With this notice, the Chamber of Commerce, Industry, Crafts and Agriculture of Turin (hereinafter, the Chamber of Commerce of Turin) intends to provide all the information required by Art. 13 of Regulation (EU) 2016/679 (also called GDPR or General Regulation for the Protection of Personal Data), regarding the processing of personal data in the above-mentioned context.

1. Data Controller and DPO - Data Protection Officer

The personal data Controller is the Turin Chamber of Commerce, based in Turin, Italy, via Carlo Alberto, no. 16, tel. +39.011.57161, emailprotocol.generale@to.legalmail.camcom.it (the address is also enabled to receive emails). Pursuant to Art. 37 of the GDPR, the Data Controller has appointed a DPO - Data Protection Officer (in the Italian translation RPD, Responsabile della protezione dei dati personali). It is possible to contact the DPO of the Turin Chamber of Commerce by writing to the email address rpd1@pie.camcom.it (address also enabled to receive certified emails).

2. Purpose and legal basis of the processing

Your personal data will be processed exclusively for the following purposes:

- a) registration in the list of participant in the online B2B session held in the framework of the TOASEAN BUSINESS DAYS 2021, scheduled from December 1st 2021 to January 31st 2022;
- b) facilitate business meetings among participants.

In relation to this purpose, the legal basis of the data processing is through the need to fulfil public interest tasks, assigned to the Turin Chamber of Commerce by law, regarding support for the competitiveness of businesses and areas.

3. Those Authorized and Data Processors

Personal data will be processed by personnel of the Turin Chamber of Commerce specially educated and trained and with prior authorization for said processing. The data can also be processed by external parties, formally appointed by the Turin Chamber of Commerce as Data Processors and belonging to the following categories:

- companies that provide management and maintenance services for the Entity's IT systems, with particular regard to document archiving services;
- companies that provide electronic communications services and, in particular, e-mail;

4. Personal Data Recipients

for the purposes referred to in point 2 of this notice, some data can also be processed by other companies participating in the online B2B session held in the framework of the

TOASEAN BUSINESS DAYS 2021.

5. Data retention period

The data will be processed until the end of the initiative.

Subsequently data will be stored for 10 years in addition to the necessary time for the Data Controller to proceed with data destruction (1 year max after the end of the final year of storage).

6. Nature of the provision of data and consequences of any failure to provide it

All the requested data are necessary for the purposes referred to in point 2 of this Notice.

7. Transfer of data to non-EEA countries

As indicated above, the Turin Chamber of Commerce may make use, also through its Data Processors, of IT services and data transmission companies that could place or transit data even in countries not belonging to the European Economic Area. These service companies are selected based on their certifications and their declarations regarding reliability, security and compliance with national and European legislation on the processing of personal data. In particular, in order to guarantee an adequate level of protection of personal data, these companies can only carry out the transfer to countries (or sectors thereof) that have been the subject of specific adequacy decisions adopted by the European Commission, or based on Standard Contractual Clauses.

8. YOUR RIGHTS

Regulation (EU) 2016/679 recognizes your various rights as Data Subject, which you can exercise by contacting the Data Controller or the DPO at the addresses referred to in point 1 of this notice.

Among the rights that can be exercised, provided that the conditions provided for by legislation from time to time are met (in particular, Articles 15 et seq. of the Regulation) there are:
