ISSUANCE OF CERTIFICATE OF ORIGIN WITH ELECTRONIC SIGNATURE

With reference to the note no. 62321 of March 18th 2019 disseminated by the Ministry of Economic Development regarding the provisions of Certificate of origin issuance and foreign visa and the relevant integrative document named "ADDENDUM" recently approved and posted on the Ministry website page <https://www.mise.gov.it/index.php/it/94-normativa/circolari,-note,-direttive-e-atti-di-indirizzo/2039451-nota-ministeriale-18-marzo-2019-n-62321-disposizioni-per-il-rilascio-dei-certificati-di-origine-e-dei-visti-per-l-estero>, we communicate that, as of January 1st 2022, certificates of origin and foreign visa (invoices, declarations etc...) will only be processed electronically, printed in the customer/user office and electronically signed by the Chamber of commerce.

Certificates requested in print will not be processed and consequently rejected

Users are kindly required to alert their foreign customers, foreign authorities and the Customs to comply with these new requirements/regulations and accept electronically signed Certificates of Origin and foreign visa (invoices, declarations, etc...)

Please be reminded that it is possible to double check all certificates of origin validity by accessing the designated national data base link positioned at the bottom of the certificate itself or by visualizing the QR code present on each certificate
